

Church of Mercy Cambodia

JUNE 2009

A message from Pastor Chheng Nuon

To my Brothers & Sisters in Christ,

Thank you for your prayers and support of the Church of Mercy Mission to Cambodia and of me and my family. I have just spent two months in the U.S. visiting with friends and family, and am very thankful to the First Baptist Church of Parker for providing for my travel costs as well as my needs while I was in the U.S.

Over the past two months I have enjoyed spending time with the Cambodian people in the Dallas/Fort Worth area. I was able to share with them the work being done in Cambodia by phone conversations, prayer meetings, home visits, dinners out and at church. I preached the Gospel and showed slides at three Cambodian churches. The Lord has touched the hearts of the Cambodian community and enabled them to know and understand about the mission to Cambodia. I was invited to speak on many occasions and at many venues, but was unable to accept all invitations because of the lack of time.

I will never forget the beautiful

memories I have created during my recent visit. Everyone openly showed their love toward me and my family. Many families offered their homes to us, or offered to take us out of dinner or bring us food, or requested that we preach and teach at their church or home. There were too many offers and not enough time to accept all of them.

I would also like to thank Dr. Cindy Sessions and Dr. Jansen Bean for taking care of our medical and dental needs while we were there.

My passion to serve the Lord in Cambodia has been renewed, and I return to the field with great zeal and enthusiasm. God brought me back to visit at just the right time, and strengthened my resolve to serve His churches in Cambodia. I ask God for wisdom to continue to spread His good word throughout Cambodia and to overcome any hardships that may arise. I also ask that God will provide for more students, more churches and more teachers in the coming years so that His word can be further spread and understood.

God bless you!

Please pray for:

- More students to join the Discipleship Training Center
- New Church plantings throughout Cambodia in the near future
- More teachers to facilitate the growth of the Discipleship Training Center
