

The Church of Mercy – Church planting Update

Dina and Bora:

These two brothers are working a place called Khoh K'law in Battambang province. They graduated from our school in May of 2010 and are doing well. They have been proclaiming the Gospel daily and teaching English to the community. Pastor Chheng recently made a visit to preach at a special service. There were over a hundred people in attendance and they were very attentive and listened quietly, which is rare when we first start teaching in an area. Pastor Chheng said the Lord has blessed them with with a good building to have meetings! He also said the building is in a great location with a well maintained road. Please pray for Dina and Bora as they serve God as ministers of reconciliation (2 Cor. 5:18-19). Pray the Lord will protect them from the snares of the wicked (Psalm 141:9). Pray the favor of God would be upon them and establish the work of their hands (Psalm 90:17).

God bless you!
